STUBAI GLACIER

This is a dreamlike high Alpine World - the „Kingdom of the eternal snow“.
The high situated galcier gives the guarantee for snow throughout the winter season in the Olympic Skiworld of Innsbruck. Skiers find 26 modern cable cars and ski lifts, 60 km white slopes in all grades of difficulties in the ski area. There are also easy slopes for beginners and advanced skiers. Driving distance from Innsbruck: 35 km. Big Funpark.

AXAMER LIZUM

The high situated Olympic Skizentrum Axamer Lizum (1570 – 2340), just 18 km from Innsbruck starts the ski season usually with the first snow in the middle of November until in the middle of April. This is an excellent and snow guaranteed ski area for advanced and good skiers. There is also a hillside with surface lift for beginners. Snowboarders will find perfect terrain and a snowpark. 40 km of slopes and 10 modern skilifts and numerous restaurants offer good time!

1/2 -DAY FREE SKIING !

Take your advantage and start your 2 or 3 days ski pass with **1/2 day free skiing** on the first day from 12:00 on the Stubai glacier!

Pay only the price for the 2 or 3 days ski pass and make profit from 1/2 -day extra free skiing in the first afternoon.

Special recommendation in the spring: **“Ski & Bike”**

Innsbruck never has off-season-atmosphere . . .

The Olympia SkiWorld Innsbruck offers its guests an ideal mixture of ski fun and city feeling. There is no off-season-atmosphere in Innsbruck – this city never sleeps!

In November and December the charming lively Christmas markets and advent activities attract many visitors.

Ski fun in the sun on the snow secure slopes of the glacier can be combined in spring with relaxing bike tours in the green Inn valley.

Aside from the well-known attractions and the large variety of events or other activities and the shopping possibilities in the Olympic city –all these always guarantee exciting and unforgettable days in the capital of the Tyrol.

PATSCHERKOFEL

The ski area Patscherkofel offer ski slopes which were proven on weltcup competitions and winter olympic games! The good snow conditions are guaranteed by new snow cannons. With the new gondola you can quickly and easily reach the long family run. Night skiing is also possible. Also the restaurant „Downhill“ is new on the top. The ski area Patscherkofel is 6 km from Innsbruck. (10-15 minutes by car.)

On Advent weekends (Fri-Sun) package prices on request only!

SCHLICK2000

(1.000-2.230m)

The compact ski area Schlick2000 in the Stubai valley can be reached by car in 20 minutes from Innsbruck. 22 km snow guaranteed downhill, including 14 km easy slopes offer great fun for everybody. There is also a „Ski-land“ for the little kids to make their first experience with snow sports and „magic carpets“ support the easy ascent. Toboggan run.

MUTTERER ALM

(950-1.600m)

It is a very nice ski area for comfortable skiing! It is a good choice for the whole family! The sunny hills are really close to Innsbruck and 15 km well prepared slopes offer great delight on skiing for everybody. The beginners enjoy the easy slopes on the soft hills above Innsbruck. Many children of Innsbruck started here their first experiences with skiing ! 2x toboggan run.

NORDPARK

(856-2.256m)

It needs just 20 minutes to reach the ski area Nordpark on 2300m from the center of Innsbruck. The station of the new mountain railway is only 150m far from the Hotel Grauer Bär. There is a breathtaking view down the valley of Inn from this high situated ski area. Beginners and expert skiers and especially snowboarders will enjoy their sport on the sunny slopes with fascinating panorama view to the Alps. For beginners the magic carpet is ideal for easy ascent.

Individual service for your ski holidays!
We are pleased to help you to create your ski package as per your very individual requirements. You can choose your period of stay as well as the ski passes.

Ski resorts at your choice: Axamer Lizum, Muttterer Alm, Nordpark, Patscherkofel, Schlick2000, Kühtai and Stubai glacier.

Our recommendation:
Top quality ski resorts like Sölden, St. Anton am Arlberg, Lech/Zürs are only one hour away from Innsbruck by car.
Innsbruck is located very centrally – the motorway A12 enables you the easy access to these areas.

We assist you to arrange ski instructor, ski school, ski rent offering also various programs for non-skiers too.
